Web Resources:

[Future of Humanity Institute \(FHI\)](#)

Utility:

- FHI is a multidisciplinary research institute at the University of Oxford. Academics at FHI bring the tools of mathematics, philosophy and social sciences to bear on big-picture questions about humanity and its prospects. The Institute is led by Founding Director Professor Nick Bostrom.

[The Chicago Council](#)

Utility:

- Founded in 1922, the Council describes itself as an independent, nonpartisan nonprofit organisation that takes no institutional policy positions.
